Pre-Populated Award Claim Form

Students listed in the pre-populated Award Claim Form reported your institution on their FAFSA and meet the basic OTAG awarding criteria listed below.

- ◆ FAFSA receipt date is **December 1, 2016** or earlier
- ◆ On the current ISIR transaction in the OTAG database on the date the pre-populated Award Claim Form was created, the student's information reflected:
 - EFC 1700 or lower
 - OK is state of legal residence self-reported by the student
 - No federal reject codes or OTAG reject codes active
 - Enrollment level is undergraduate
 - No bachelor's degree received is indicated on the transaction
 - Student has not reached Pell lifetime limit

The pre-populated report will likely include students who, while they meet the above criteria, cannot be awarded. It is the institution's responsibility to ensure that any student submitted on their completed Award Claim Form is **currently enrolled and meets all of the OTAG eligibility criteria at the time the claim is submitted**. A complete list of eligibility requirements is provided at <http://www.okhighered.org/admin-fac/FinAidResources/docs/otag-student-eligibility.pdf>.

Award Claim Form Instructions for Completion (Excel)

2017-2018**

To request OTAG funds for students at your institution, the students' names and information must be submitted to OTAG on an Award Claim Form.

1. Begin with blank OTAG Award Claim Form Template or OTAG Pre-Populated Award Claim Form. Blank ACF templates are available from OSRHE Financial Aid Resource for Institutions (www.okhighered.org/admin-fac/FinAidResources/otag.shtml). Pre-populated forms are available from OTAG upon request.

2. Save and rename file on your computer.

Before you begin working on your Award Claim Form, be sure to save it in your computer network directory. The pre-populated report OTAG provides will always be named xxxMMDDYYYY.acfo.xlsx where:

- ◆ **xxx** is your institution's three-letter OTAG reports code,
- ◆ **MMDDYYYY** is the date OTAG created the pre-populated report, and
- ◆ **acfo** represents Award Claim Form "outbound" (sent from OTAG to an institution).

When you save the file to your computer, whether you are using a blank template or a pre-populated form, please:

- ◆ rename the file using the format **xxxMMDDYYYYacfi.xlsx** where **acfi** represents "inbound" (to be sent from an institution to OTAG) Simply change the last part of the filename from "acfo" to "acfi".
- ◆ Adhering to this specific naming format will assist OTAG staff and will be appreciated.

3. Review Student Data.

By including a student on an award claim form submitted to OTAG, the institution certifies that the student meets **all** eligibility requirements to receive an OTAG award and requests immediate disbursement of funds for that student.

- ◆ **Allowable Values:** Allowable values for each column must be strictly adhered to. If a column is updated with a value not specified in the Allowable Values table for that column, OTAG's automated processing system will not be able to read it correctly, and the institution will be asked to submit a corrected report.
- ◆ **Transaction Number (Column E):** Institutions may be asked to assist OTAG staff in resolving ISIR transaction number and EFC mismatches if found when an inbound Award Claim Form is processed with the current OTAG database. If you are using a pre-populated form and you have awarded a student based on an ISIR transaction other than the transaction number pre-filled in Column E, **you should enter the correct ISIR transaction number as well as the correct EFC in Column F.**
- ◆ **Attendance Status (Column G):** Please pay close attention to the current attendance status in Column G and make any appropriate adjustments to FT status.
 - **Full-time** status will be assumed. Please update for part-time attendance. Full-time and part-time statuses are defined in accordance with the current definition for full-time and half-time attendance status for federal Title IV student financial aid eligibility.
 - No values other than FT and PT are allowed in this column, and reports containing any other values in this column will not be accepted for processing.
- ◆ **Payment Period Disbursement Amount (Column H):**
 - **The calculated disbursement amount must be entered in this column.**
 - The minimum award amount is \$200 (\$100 per semester). If an amount less than \$100 is requested in this column, the request for funds will be denied by OTAG.
 - Please remember the annual maximum is \$1,000 for most institutions.

- ◆ **Award due to Military Status (Column K):** (The entire record will have to be manually entered on the fall claim and a “Y” placed in this field.) An entry in this column indicates that the student qualifies for in-state status and financial aid as a full-time active duty member of the armed forces or dependent of a full-time active duty member of the armed forces. Legislation now extends in-state status to certain veterans, spouses and dependent children as well. ROTC participants are also now eligible for in-state status. This entry is necessary only for students that have indicated a “state of legal residence” other than Oklahoma on the FAFSA. **The student must meet all other OTAG eligibility criteria.**
- ◆ **Student ID (Column L):** Optional. If institutions wish to list the school-assigned student identifier on the related disbursement roster, these identifiers must be entered into this column by the school. OTAG will not maintain or track this number after its appearance on the disbursement report. This column may be left blank.

4. Complete Heading.

- ◆ **Heading:** The spreadsheet heading must be filled out with the following information:
 - Institution Name (pre-filled if using a pre-populated report provided by OTAG)
 - Institution 6-digit Title IV code number (pre-filled on pre-populated reports)
 - Semester and Award Year (Fall or Spring and 2017-2018) (pre-filled if using a pre-populated reports)
 - Name and Title of the Authorized Institutional Representative completing the Award Claim Form and responsible for the accuracy of the award eligibility data (all institutions must complete)
 - Date the Award Claim Form was completed (all institutions must complete)

Award Claim Forms without this information completed will not be accepted.

- ◆ **Authorized Institutional Representative:** The Award Claim Form must be submitted by an authorized institutional representative for the OTAG program as designated by the president or chief executive officer of the institution.
- ◆ **Multiple Award Claim Forms** can be submitted in each semester. Please try to submit all fall 2017 payment period claims by December 15th and all spring 2018 payment period claims by May 30th. **Please contact the OTAG office if you have students that cannot be disbursed within these timelines and are otherwise eligible.**
