Counseling Survey

N=85

DIRECTIONS: Please take the time to read each question and respond appropriately. If you are asked to fill in a blank, it is not necessary to fill in every line if it is not applicable to your institution. There will be space at the end of this assessment to clarify any answers you wish to explain further. This assessment is meant to be used as a tool to gather useful safety and security information regarding your institution. The CLASS Task Force will review this information for the purpose of assessing campus preparedness for emergencies; however, any identifiers of the specific institution will be removed prior to review. Findings will be reported in the aggregate to the CLASS Task Force.
