

Grant Opportunities for Oklahoma Higher Education **12/23/09**

This announcement is provided by the Oklahoma State Regents for Higher Education, Grant Writing and External Funding Assistance once or twice weekly. Grant opportunities are screened for higher education eligibility, listed by deadline date and grouped alphabetically by topic. Add your email address to the list serve at <http://lists.onenet.net/mailman/listinfo/okhigheredgrants> if you wish to be added to the direct mailing list.

Check out the **Grant Opportunities for Oklahoma Colleges and Universities** web site at <http://www.okhighered.org/grant-opps/>.

Linda Mason, Ed.D.

ALCOHOL AND DRUG ABUSE

ARTS AND CULTURE

Deadline Date – January 29, 2010

Grant Resource – Presidents Committee on Arts and Humanities

Category – Coming Up Taller – Arts and Humanities Programs for Children Excellence Award

Description – The President's Committee on the Arts and the Humanities is accepting applications for the Coming Up Taller grant program. The purpose of the Coming Up Taller Awards is to recognize and support outstanding community arts and humanities programs that celebrate the creativity of America's youth and also provide them with learning opportunities and chances to contribute to their communities.

Size of Grant - \$10,000

Cost Sharing or Match – No

Web - <http://www.pcah.gov/cut.htm>

CAMPUS CIVIC ENGAGEMENT AND SERVICE LEARNING

CHILD CARE

COMMUNITY COLLEGES

COMMUNITY DEVELOPMENT

CONFERENCES

Deadline Date – January 5, 2010 Letter of Intent; January 29, 2010 Application

Grant Resource – US Department of Health and Human Services

Category – Health Promotion and Disease Prevention Conferences

Description – The purpose of conference support funding is to provide partial support for specific non-Federal conferences in the areas of health promotion and disease prevention, education programs, and applied research. The NCEH/ATSDR vision is “Safer, healthier people in a safer, healthier environment”. The NCEH/ATSDR mission is to serve the public through responsive public health actions to promote healthy and safe environments and prevent harmful exposures.

Size of Grant – 8 awards of \$100,000

Cost Sharing or Match – No

CRIMINAL JUSTICE; FORENSIC SCIENCE

Deadline Date – February 9, 2010

Grant Resource – US Department of Justice

Category – Court Training and Improvements Program Grant

Description – This announcement is seeking applications for the Court Training and Improvements Program. This program furthers the Department of Justice's mission by supporting court and court-based initiatives that aim to improve civil and criminal court functions, enhance court infrastructure and improve court responses to victims of sexual assault, domestic violence, dating violence and stalking.

Cost Sharing or Match – No

Web - <http://www.ovw.usdoj.gov/docs/fy2010-courts-prog-solicitation.pdf>

ECONOMIC DEVELOPMENT; BUSINESS

EDUCATION; EDUCATIONAL CONSORTIA

FELLOWSHIPS

GEOGRAPHY; CARTOGRAPHY

Deadline Date – March 8, 2010

Grant Resource – National Science Foundation

Category – Geoscience Education

Description – The Geoscience Education Program is part of a portfolio of programs within the Directorate for Geosciences that seeks to increase public understanding of Earth system science and foster recruitment, training and retention of a diverse and skilled geoscience workforce for the future. The program achieves these goals by supporting innovative or transformative projects that improve the quality and effectiveness of formal and informal geoscience education at all educational levels, increase the number of students pursuing geoscience education and career paths, broaden participation of traditionally underrepresented groups in the geosciences, and promote public engagement in Earth system science. **Track 1** - Improving Public Earth System Science Literacy; **Track 2** - Development of the Future Geoscience Workforce

Size of Grant – 40 awards, totaling \$3 million for Track 1 and \$2 million for Track 2

Cost Sharing or Match – No

GERONTOLOGY; SENIOR ISSUES

Deadline Date – March 1, 2010

Grant Resource – US Department of Health and Human Services

Category – Coordinated HIV Services and Access to Research for WICY-One Time Supplemental Funds

Description – The purpose of these funds is for expanded activities within Part D programs to improve access to primary medical care (directly or through contracts), research, and support services for HIV-infected women, infants, children and youth, and to provide support services for their affected family members.

Cost Sharing or Match – No

Web - <http://www.darpa.mil/dso/solicitations/solicit.htm>

GLOBALIZATION; INTERNATIONAL STUDIES

HEALTH FIELDS; PHYSICAL EDUCATION, OPTOMETRY

Deadline Date – January 5, 2010

Grant Resource – Robert Wood Johnson Foundation

Category – Violence Reduction

Description – Through this special solicitation from *Robert Wood Johnson Foundation Local Funding Partnerships*, the Robert Wood Johnson Foundation partners with diversity focused funders and other local grantmakers to fund projects to reduce violence in specific communities such as those defined by race, ethnicity, tribe, gender, sexual identity or rural/frontier location.

Size of Grant – 8 awards of \$200,000

Cost Sharing or Match – \$1 to \$1

Web - <http://www.rwjf.org/applications/solicited/cfp.jsp?ID=20781>

Deadline Date – January 13, 2010

Grant Resource – Robert Wood Johnson Foundation

Category – New Careers in Nursing

Description – The *Robert Wood Johnson Foundation New Careers in Nursing* is a scholarship program to help alleviate the nursing shortage and increase the diversity of nursing professionals. Through grants to schools of nursing, the program will provide scholarships to college graduates with degrees in other fields who are enrolled in accelerated baccalaureate and master's degree nursing programs.

Size of Grant – Between 5 and 30 scholarships/year

Cost Sharing or Match – \$1 to \$1

Web - <http://www.rwjf.org/applications/solicited/cfp.jsp?ID=20905>

Deadline Date – January 24, 2010

Grant Resource – US Department of Health and Human Services

Category – NIDCD Small Grant Program (R03)

Description – The NIDCD Small Grant Program (R03) is intended to support basic and clinical research of scientists who are beginning to establish an independent research career. It cannot be used for thesis or dissertation research. The research must be focused on one or more of the areas within the biomedical and behavioral scientific mission of the NIDCD: hearing, balance/vestibular, smell, taste, voice, speech, or language. The NIDCD R03 grant mechanism supports different types of projects including secondary analysis of existing data; small, self-contained research projects; development of research methodology;

and development of new research technology. Irrespective of the type of project, the intent of the NIDCD R03 is for the PD/PI to obtain sufficient preliminary data for a subsequent R01.

Size of Grant - \$100,000/yr for 3 years

Cost Sharing or Match – No

Web - <http://grants.nih.gov/grants/guide/pa-files/PA-10-055.html>

Deadline Date – February 4, 2010

Grant Resource – Robert Wood Johnson Foundation

Category – Disparity Research for Change in Health Care

Description – Finding Answers focuses specifically on reducing disparities in cardiovascular disease, diabetes and depression; diseases for which the evidence of racial and ethnic disparities is strong and the recommended standards of care are clear.

Size of Grant - \$400,000

Cost Sharing or Match – No

Web - <http://www.rwjf.org/applications/solicited/cfp.jsp?ID=20941>

Deadline Date – February 12, 2010

Grant Resource – Department of Health and Human Services

Category – Midcareer Investigator Award in Patient-Oriented Research (Parent K24)

Description – The purpose of the NIH Midcareer Investigator Award in Patient-Oriented Research (K24) is to provide support to mid-career health-professional doctorates or equivalent who are typically at the Associate Professor level or the equivalent for protected time to devote to patient-oriented research (POR) and to act as research mentors primarily for clinical residents, clinical fellows and/or junior clinical faculty.

Cost Sharing or Match – No

Web - <http://grants.nih.gov/grants/guide/pa-files/PA-10-061.html>

Deadline Date – February 12, 2010, June 12, 2010, October 12, 2010

Grant Resource – US Department of Health and Human Services

Category – Academic Career Award (Parent K07)

Description – The purpose of the NIH Academic Career Award (K07) is to provide support to increase the pool of individuals with academic and research expertise to become academic researchers and to enhance the educational or research capacity at the grantee sponsoring grantee institution. The Academic Career Award supports K07 Development awards for more junior level candidates and K07 Leadership awards for more senior individuals with acknowledged scientific expertise and leadership skills.

Cost Sharing or Match – No

Web – <http://grants.nih.gov/grants/guide/pa-files/PA-10-058.html>

Deadline Date – February 12, 2010, June 12, 2010, October 12, 2010

Grant Resource – Department of Health and Human Services

Category – Mentored Research

Description – The purpose of the NIH Mentored Research Scientist Development Award (K01) is to provide support and “protected time” (three, four, or five years) for an intensive, supervised career development experience in the biomedical, behavioral, or clinical sciences leading to research independence. Although all of the participating NIH Institutes and Centers (ICs) use this support mechanism to support career development experiences that lead to research independence, some ICs use the K01 award for individuals who propose to train in a new field or for individuals who have had a hiatus in their research career because of illness or pressing family circumstances. Other ICs utilize the K01 award to increase research workforce diversity by providing enhanced research career development opportunities.

Cost Sharing or Match – No

Web - <http://grants.nih.gov/grants/guide/pa-files/PA-10-056.html>

Deadline Date – February 12, 2010, June 12, 2010, October 12, 2010

Grant Resource – Department of Health and Human Services, National Institutes of Health

Category – Independent Scientist Award

Description – The purpose of the NIH Independent Scientist Award (K02) is to foster the development of outstanding scientists and enable them to expand their potential to make significant contributions to their field of research. The K02 award provides three, four, or five years of salary support and protected time for newly independent (see IC provisions) scientists who can demonstrate the need for a period of intensive research focus as a means of enhancing their research careers.

Cost Sharing or Match – No

LABORATORIES; EQUIPMENT

LIBRARIES

Deadline Date – January 29, 2010

Grant Resource – US Department of Health and Human Services

Category – Maternal and Child Health Library Services

Description – The Health Resources and Services Administration is accepting applications for the Maternal and Child Health Library Services grant program. This funding initiative is open to any public or private entity, including an Indian tribe or tribal organization. The purpose of this program is to support a national information and education resource library which would provide the information needed by the Maternal and Child Health community to carry out program and policy development and to improve service delivery.

Size of Grant - \$550,000

Cost Sharing or Match – No

Web - <https://grants.hrsa.gov/webExternal/SFO.asp?ID=B4D2AA5C-B5E9-4F89-BBF6-747A53463DE7>

Deadline Date – March 1, 2010

Grant Resource – Institute of Library and Museum Services

Category – Native American Library Services: Basic Grants and Basic Grants with Education Assessment Option

Description – The Native American Library Services Basic Grant is noncompetitive and distributed in equal amounts among eligible applicants. Basic Grants are available to support existing library operations and to maintain core library services. The Education/Assessment Option is supplemental to the Basic Grant. It also is noncompetitive and must be requested. The purpose of the Education/Assessment Option is to provide funding for library staff to attend continuing education courses and training workshops on- or off-site, for library staff to attend or give presentations at conferences related to library services, and to hire a consultant for an on-site professional library assessment.

Cost Sharing or Match – Yes

RURAL DEVELOPMENT

SCIENCE; ENVIRONMENTAL SCIENCE; BIOLOGY; CHEMISTRY

Deadline Date – February 26, 2010

Grant Resource – US Department of Defense

Category – Lightning Research

Description – DARPA is soliciting innovative research and development (R&D) proposals on the underlying physics of lightning. Proposed research should investigate innovative approaches that enable revolutionary and fundamental advances in atmospheric and ionospheric science relating to lightning.

Cost Sharing or Match – No

Web – <http://www.darpa.mil/dso/solicitations/solicit.htm>

Deadline Date – February 8, 2010

Grant Resource – US Department of Defense

Category – Materials with Controlled Microstructural Architecture

Description – DARPA is soliciting innovative multidisciplinary research proposals to develop and demonstrate the capability to develop and fabricate structural materials with radically superior properties than can currently be achieved through architectural control at the appropriate microstructural scales. The Materials with Controlled Microstructural Architecture (MCMA) program seeks the development and demonstration of technologies that will result in structural materials design and fabrication methodologies that are ultimately based on validated architectural design principles at the microstructural level to achieve their superior properties.

Cost Sharing or Match – No

Web – <http://www.darpa.mil/dso/solicitations/solicit.htm>

Deadline Date – March 15, 2010

Grant Resource – US Department of Defense

Category – Information in a Photon

Description – The Information in a Photon Broad Agency Announcement seeks proposals addressing the basic science and the associated unifying physical and mathematical principles that govern the information capacity of optical photons, exploiting all relevant physical degrees of freedom.

Cost Sharing or Match – No

TRIBAL COLLEGES

Deadline Date – February 26, 2010

Grant Resource – US Department of Agriculture

Category – National Institute of Food and Agriculture Tribal Colleges Research Grants Program

Description – The TCRGP is a competitive grants program supporting fundamental and/or applied agricultural research projects that address high priority concerns of tribal, national or multi-state significance. The program funds investigative and analytical studies and experimentation in the food and agricultural sciences. TCRGP seeks to advance the body of knowledge in the basic and applied natural and social sciences within the food and agricultural sciences. To the extent practicable, priorities should reflect the following national critical needs areas: 1) Sustainable energy; 2) Global food security and hunger; 3) Climate change; 4) Nutrition and preventing childhood obesity; 5) Food safety; and 6) Sustainable rural economies. Eligible institutions may propose projects in any discipline(s) of the food and agricultural sciences.

Size of Grant - \$200,000

Cost Sharing or Match – No
