### 2010 Honor Roll Announced

The Corporation for National and Community Service announces the annual Honor Roll award recipients, recognizing more than 600 colleges and universities for exemplary, innovative, and effective community service programs. The Corporation oversees the Honor Roll in collaboration with the Department of Education, Department of Housing and Urban Development, Campus Compact, and the American Council on Education. Honorees are chosen based on a series of selection factors including scope and innovation of service projects, percentage of student participation in service activities, incentives for service, and the extent to which the school offers academic service-learning courses.
