Activities:

- Approximately 15 honors students per year present their capstone and/or honors projects at department-wide or campus-wide research seminars. There are no departmental requirements for a capstone presentation.
- ECI has an honors recognition presentation where approximately 3 honors thesis per year are presented.
- 65 undergraduate students participate in Oklahoma Research Day.
- The Spring ECU Undergraduate Research Day: Academic Excellence Day involves 25 student researchers.
- The ECU McNair Scholars program has a poster presentation day in which from 10-15 students present the results of their summer research.
