Engagement is critical to the success of a democracy, and democracy is improved through more engaged and active citizens. Colleges and universities are vital agents and architects of preparing students for democratic citizenship. Oklahoma Campus Compact’s goal is to help campuses educate students on the importance of actively participating in a democracy and have them graduate with a long-term commitment to do so. Through the 2018 Campus Vote Initiative OKCC supports campuses civic engagement work most immediately through partnership on voter registration and election participation.

Everyone who receives the protection of society owes a return for the benefit.
